HOTELS AND RESERVATIONS

Excellent hotel and motel accommodations will be found in Dodge City.

SALE MANAGER'S MESSAGE

For this second High Plains Shorthorn Sale we have only ten bulls offered. These are some of the best consisting of a proven herd sire and serviceable age bulls. The bulls selling in this sale are even better than the bulls we sold in last year's High Plains Sale. Remember those who buy the best bulls find the road to profit and success much shorter.

Sixty-nine females selling in this sale will give buyers a chance to purchase Shorthorn females that have been so scarce this year. Many of the cows will have calves by their side; others to calve real soon. A large number of open heifers are offered; these heifers will make excellent 4-H club projects. This sale could be what you have been waiting for if you can tell good cattle in their every day clothes.

The long range future looks good for the beef business because these good Shorthorn females have been hard to find. The quality in this sale will be some of the best. In the past years buyers of Shorthorn cattle have received more for their money in Dodge City than any sales in the State. I hope a lot of our Shorthorn friends will attend this second High Plains Shorthorn Sale. I promise you a lot of good cattle and those who buy in this sale will get a lot of quality for their money. Don't forget you are buying from some of the best folks in the Shorthorn business. Be in Dodge City Saturday, April 15th.

Milton H. Nagely, Sale Manager

STANDARD GUARANTEE
(Recommended by American Shorthorn Association)

- A. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
- B. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
- C. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
- D. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of a freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
- E. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
- F. All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.
- G. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.
- H. All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.
